

# RECORDER FINGERING CHART

The hole that is outside the box indicates the thumbhole on the back of the recorder.  
When the circle is black, cover that hole with the correct finger.

The chart displays ten notes on a treble clef staff, each with a corresponding fingering diagram for a recorder. The notes are arranged in two rows of five. Each diagram shows a vertical column of seven circles representing the recorder's finger holes. A black dot above the staff indicates the thumbhole. The notes and their fingerings are as follows:

| Note | Fingering (from top to bottom) |
